## JOYEUX NOEL (MERRY CHRISTMAS)

Amidst the conflict and violence of World War I, German, French, and Scottish soldiers held a ceasefire on Christmas 1914 in order to honor the birth of Christ. This year, Pax Christi St. James will show the movie *Joyeux Noël*, which depicts this moment of unity and friendship. We will kick off the evening with a speech by a member of the Seattle chapter of Veterans for Peace. Join us as we reflect on the Christmas season as an invitation to peace among nations and in our hearts.
