

Russia-gate: Can You Handle the Truth?

Saturday, August 4th, 3pm to 5pm

University Temple United Methodist Church, 1415 NE 43rd street, in the U District, Seattle

A talk by Ray McGovern:

***Former CIA briefer, The President's Daily Brief; now justice and peace activist**

***Chief, Soviet Foreign Policy Branch, CIA; awarded Intelligence Commendation Medal at retirement**

***Co-founder (in Jan. 2003), Veteran Intelligence Professionals For Sanity (VIPS)**

***Former Army Infantry/Intelligence officer; National Advisory Board, Veterans For Peace**

Ray McGovern reverts to his days as a CIA analyst to explore the origins of Russia-gate, what lies behind it, and the HUGE stakes involved for two presidents, other very high officials, and the Constitution itself.

Among the issues Ray will address:

— Why do some suspect that the Military-Industrial-Congressional-Intelligence-Media-Complex is at work behind the scenes?

— What is taking Robert Mueller so long?

There will be ample time for Q and A
